Staff Commentary

Both Toni and Sukhi were a pleasure to work with. They were enthusiastic and professional.

I have dealt directly with Antonio Palmiero and find him extremely responsive, flexible and helpful.

Only ever dealt with Toni, great communication and quick responses to any questions/issues. For the first year of working together the process ran as smoothly as we could expect.

Antonio Palmerio

I have worked with both Antonio and Sukhi-but Sukhi does most of the projects for us. He is professional, easy to deal with, always meets deadlines and produces very good work.

Always deal with Toni and Sukhi, both of whom are able to effectively deal with our queries and deliver on time
